

SIG Expo! Monday, February 26, 2007

Event Type:
Presenters:

Chapter Meeting
Special Interest Group (SIG) Leaders

Content Overview:

- * Multiple Presenters *
- * Career Development *
- * Edutainment for Fulfilling Your Goals *

Special Interest Groups are the **"heartbeat of the chapter."** Come learn more about the depth of programs being offered by the SIGs, and learn how you can leverage your chapter membership for your own **Professional Development.**

Make your plans for the New Year – start here with a **Professional Development Plan** structured around the ASTD Competency Model for Learning and Performance. At this event, set your goals, and identify the cadre of SIG events, chapter workshops and learning opportunities to help you get there!
